

Focus on *FaithCare*

Your employer has enrolled you as a member of *FaithCare*, a medical service of Faith Community Health (FCH). Our medical clinic is located at 610 S. 6th Street in Branson.

Hours

FCH clinic office hours are Monday, Wednesday & Friday, 8 a.m. to 1 p.m, Tuesday & Thursday, 12:00 p.m.-5:00 p.m.

Getting started

First you must register and obtain your membership card from FCH. Your employer will give you a form you must fill out and bring with you. You will also need your social security or birth certificate and driver's license. If you want to check your eligibility for the dispensary, you must also bring household monthly financials including paycheck stubs for all members of your family.

To make a registration or medical appointment, call 417-336-9355. To learn more about FaithCare, go to www.faith.care.

Please understand that FCH can only honor your membership card if your employer is participating in the program and if you are currently enrolled. If your employer discontinues *FaithCare* or if you change employment, you will no longer receive the *FaithCare* rate. However, you can continue to use Faith Community Health at an income-based rate. You must update your registration annually.
